

DEMA Community Fund

The DEMA Community Fund supports community projects, the arts and educational scholarships.

The first project is a public sculpture which will be placed on South Coast Highway. DEMA is working with nationally renowned sculptress and local resident, Manuelita Brown, to bring the bronze sculpture, the *Encinitas Child*, to downtown Encinitas. The sculpture depicts a young girl waving to those entering our downtown as she casually sits on the wall that lines the highway. Donations for the sculpture will be recognized on a plaque.

The Coastal Community Foundation, a 501(c) organization, was founded in 1987 as a resource for the North Coastal communities, including Carmel Valley, Del Mar, Solana Beach, Encinitas, La Costa, Carlsbad and Oceanside.

The mission of Coastal Community Foundation is to enhance the quality of life in the San Diego North Coastal area by directing philanthropic efforts toward community needs.
